

Bedoba Orange

A captivating amber blend of 70% Rkatsiteli and 30% Kisi, Bedoba Orange is fermented and matured in Qvevri amphorae and oak barrels.

It's a textured, aromatic wine that shines with notes of dried apricot, honey, orange peel, and wild herbs. Its balance of freshness and gentle tannins makes it both bold and refined.

Enjoy it with quail, saffron rice, or grilled eggplant glazed with pomegranate syrup.
