

Bedoba Reserve

From the slate-rich soils of Kvareli and vines planted in 1984, Bedoba Reserve represents the pinnacle of Saperavi.

Fermented and aged in Qvevri amphorae and fine oak, it delivers deep complexity—dark berries, mountain herbs, spice, and a silky minerality.

The finish is long and graceful, revealing the true character of its terroir.

This wine honors Georgia's 8,000-year heritage with rare balance and sophistication.
